

Saddleback (D-PD, ZP 372, and DP 4131)

The LUPC maintains an FTP site which is a web-based platform to make digital information available for viewing and download. Among other information, the FTP site includes information regarding the Saddleback D-PD and related zoning and permitting matters. Specifically, the site includes:

- Any pending applications,
- Each permit issued at the site, and
- Some LUPC produced maps of the site and project areas

To access our FTP site, go to: www.maine.gov/dacf/lupc/review
