

APPLICATION FOR TAX EXEMPTION CERTIFICATION FOR AIR AND WATER POLLUTION CONTROL FACILITIES

Title 36 M.R.S. §§ 655, 656 & 1760

Air Facilities

- ☐ Sales and Use Tax
☐ Property Tax

Water Facilities

- ☐ Sales and Use Tax
☐ Property Tax

Applicant: _____

(Legal name as registered with the Secretary of State)

Facility Location: _____

(E-9-1-1 address, physical location)

Town: _____ County: _____

Facility Contact: _____ Title: _____

Mailing Address: _____

Phone: _____ Email: _____

Application Contact (If different): _____

Phone: _____ Email: _____

Nature of Business: _____

Current Air Emission License: _____

Current Waste Water Discharge License: _____

Section A. Description of Facility. Describe the pollution control facilities for which tax exemption is sought. Identify the types and sources of pollutants which are treated, reduced or eliminated. Describe the methods used to reduce, control or eliminate those pollutants. Attach flow diagrams or schematics as necessary. (If more space is needed attach as Exhibit A.)

FOR DEP USE

Date Received: _____

Total Fees: _____

A- _____

W- _____

Section B. Description of Equipment. List the tangible property for which tax certification is sought, with date of purchase and cost of each item. You may include materials used for the construction, repair or maintenance of the pollution control facility, and chemicals or supplies that are integral to the effectiveness of the pollution control facility. (If more space is needed attach as Exhibit B.)

Section C. Functional description. Describe the function of each piece of equipment for which tax certification is sought. If the equipment serves functions other than pollution control, describe those as well. For any materials used for the construction, repair or maintenance of the pollution control facility and for any chemicals or supplies used in the facility, describe how they are used and how they relate to the effectiveness of the pollution control facility. (If more space is needed attach as Exhibit C.)

Section D. Other purposes. If the equipment serves purposes other than pollution control, describe how each of these weighed into the decision to install the equipment. Does the equipment also increase the productivity or efficiency of the facility or provide cost savings? How were these factors weighed in the purchase decision and what was your primary purpose for installing the equipment? (If more space is needed attach as Exhibit D.)

Section E. Waste handling capacity. If you are applying for property tax certification for water pollution control equipment, state the daily capacity (in gallons) to handle waste for each piece of water pollution control equipment for which certification is sought. (If more space is needed attach as Exhibit E.)

Each application submitted to the Department must include the following certification signed by the applicant or duly authorized officer or agent: If the applicant is signed by an agent, the application must include evidence of the agency signed by the applicant or duly authorized officer.

I certify under penalty of law that I have personally examined the information submitted in this document and all attachments thereto and that, based on my inquiry of those individuals immediately responsible for obtaining the information, I believe the information is true, accurate, and complete. I am aware there are significant penalties for submitting false information, including the possibility of fine and imprisonment. I authorize the Department to enter the property that is the subject of this application, at reasonable hours, including buildings, structures or conveyances on the property, to determine the accuracy of any information provided herein.
