 - c. Jason Cooney
 - i. The Rules comment period for Chapter 21 opens today and closes 20 Oct 2023. Public commentary may be submitted by accessing the link in the “Latest News” section of the Maine EMS website.
 - d. Jason Oko
 - i. Thanks are given to all Regional Medical Directors who have submitted their data use agreements.
 - e. Dr. Pieh asks if there is an update on rulemaking regarding EMS Regional changes, staffing, support, etc.?
 - i. Jason Cooney gives an update on the rulemaking process regarding the regions.

- 4) Special Circumstances Protocol Review
 - a. No new submissions for Special Circumstances Protocols.
 - b. Update re: Special Circumstances Protocol from last month – Sholl
 - i. Dr. Sholl discusses. This protocol was approved after the group met with the patient’s parents.
- 5) Alternate Devices – NONE
- 6) Pilot Projects – 1000 – 1020
 - a. Delta – Monthly Report

- 7) UPDATE – Medication Shortages – 1020-1040 - Nash/All
 - a. Dr. Nash
 - i. Ketamine still unavailable
 - ii. Shortages with glucagon – expect different packaging
 - iii. Reminder to look at your vials when you get them. Similar packaging may be confusing regarding which medication you actually have.
 - iv. Emergency syringes are still in short supply.
 - v. Discussion by the group.
 - vi. Dr. Nash adds from the ZOOM chat:
 1. Racemic epinephrine is on back order as well. We tried to order some in preparation of another “tripledeemic” and were unable to do so. Plain injectable epi and saline still works though.
- 8) Emerging Infectious Diseases – 1040 – 1050 – Sholl
 - a. Discussion – interest in developing a Masking White Paper
 - i. Dr. Sholl relates that local cases of COVID are increasing. State data is not available as we are no longer tracking all cases. Also, we are approaching the time of year when we start seeing spikes in cases of influenza.
 - ii. Dr. Sholl discusses the possibility of developing and distributing a clinical bulletin. Discussion by the group.
 - iii. Dr. Sholl queries the group regarding re-issuing the original masking operational bulletin from April.
 1. Jason Oko discusses options for re-distribution of the bulletin.
 2. Dr. Sholl can work offline on modifications and additions to the original operational bulletin. Jason Oko will send Dr. Sholl a copy of the original to update.
 3. The group agrees with the plan of action.
- 9) 2023 Protocol review process – 1050 - 1250 – All
 - a. Timeline review – Sholl/Zimmerman/Collamore
 - b. Follow Up – MDPB Deliverables
 - i. Dr. Sholl discusses deliverables:
 1. Change Documents – Completed
 2. Review Protocol Mock-Up’s – Completed
 3. White Papers – Completed

4. OLMC Document – Completed
 5. Summary Change Document – Completed
 6. FAQ's – to begin once the education starts
 7. Formulary – Pending – BN and MS – Updates
 - a. Dr. Nash relates that the updates for this are almost complete.
 8. Hospital Slides – Pending - Discussion
 9. Education – Updates
- c. Discussion – Timeline of Go-Live Date – MS/CA
- i. Dr. Sholl shares his screen and discusses work progress to this points.
 - ii. Dr. Sholl discusses extending the timeline for education and protocol roll-out with the group.
 - iii. Dr. Sholl proposes roll-out date for the actual medical protocols on 31 Jan 2024.
 1. Discussion by the group regarding the new go-live date.
 2. Darren Davis asks regarding the statutory go-live date for the Naloxone Leave-Behind protocol. Dr. Sholl advises off-line discussion.
 - a. Darren Davis asks if a clinician who took protocol education before the go-live date could perform the protocols. Dr. Sholl replies that historically it has been more effective to not have a rolling go-live date for all the protocols. However, doing so for this specific protocol is worth discussing off-line.
 - iv. The group agrees to the 31 Jan 2024 go-live date for protocol updates.
- d. Discussion – Delivery of Protocol Education
- i. Dr. Sholl discusses tentative dates for doing the webinar and in-person education.
 1. Coordinating MDPB availability with potential dates should be done offline.
 2. Discussion of doing an in-person protocol roll-out.
- e. Discussion of beginning to hold live monthly meetings by the group.
- i. Dr. Sholl discusses the potential for conducting both in-person and blended monthly meetings.
 - ii. Dr. Sholl proposes committing to one in-person meeting once per quarter. Discussion by the group.
